

THE CONNECTION SCHOOL

of Houston

Dear Potential Athletic Sponsor,

Thank you for taking the time to consider being a Sponsor for the Athletics Program at The Connection School of Houston for the 2018-2019 school year. This letter briefly provides a further understanding of our school, athletic program, and what your sponsorship means to our Student Athletes.

Founded in December 2012, The Connection School of Houston is a non-profit K-12 Christian Classical School committed to discipling children to love God and others. Our full-time program provides training in academics, fine arts, and athletics. Each of these areas are showing increased success in our school. Specifically, we are seeing a heightened interest in athletics. In order to provide a positive experience in interscholastic athletics, we joined the Texas Christian Athletics League. In our 2nd year of competition, the Varsity Girls Volleyball placed 3rd in District and competed in Regionals and our Varsity Boys Basketball placed 1st in District, 2nd in Regionals, and 3rd in the State Tournament. This year we are adding additional sports for our Student Athletes, including the very popular 6-Man Football Team.

Our Booster Club and Student Athletes work diligently to raise money through various methods, however those fundraisers cover only a portion of our expenses. Since these funds do not cover all of our program's operating expenses, our Student Athletes' families must provide their own funds to help pay for coaching salaries, facility expenses, uniform and equipment needs, and travel expenses.

In order to continue to make this rewarding experience a reality for our Student Athletes, we are reaching out directly to local businesses, family and friends and offering the opportunity to become a TCS Athletics Sponsor. Please join us by showing your commitment to the future of our Student Athletes, as well as our community. In exchange for your generosity, you will also receive advertising on our school website and a signage featuring your business at the school and our athletic events. The Connection School of Houston is a 501(c)(3) non-profit organization and all contributions received are tax-deductible.

We hope you will take a moment to reflect on what would be the best partnership for your business and your budget and submit your donation today.

Respectfully yours,

Kathi Goetz
Booster Club Coordinator
The Connection School of Houston
