

The Connection School Annual Fund
Growing Together to Love God and Others
Goal: 100% Family Participation

Dear TCS Families,

The 2018-2019 school year is off to a strong start! It is a blessing to be part of a community that has such a commitment to its mission and is dedicated to supporting it in a variety of ways. I can think of no other calling that is as important than that of training up children to follow the greatest commandment of “loving God with all of their hearts, souls, and minds, and loving others as themselves” (Matt. 22:37-40). Many thanks to all of you who have tirelessly given of your time, talents, and gifts to support the growth and ministry of The Connection School!

The Annual Fund Campaign begins this week and will end Friday, October 5th. **The goal for the Annual Fund Campaign is to have 100% participation in pledges from all TCS families, faculty, administration, and Board of Trustees.** There is no expectation of a specific amount for a pledge commitment. The only expectation is that each family will participate in supporting the school by making a pledge. We will track participation by family in each child’s homeroom class.

Please commit to reflect and pray for our school specifically during the Annual Fund Campaign. Pledge cards may be returned to the payment box in the main office. After the goal of 100% TCS family participation is met, we will be in an optimal position to move forward with plans to share the vision and partnership opportunities with others.

Serving Him with you,

Kathleen Wrobleske
Head of School
